

## Professional Pin Brushes Stainless-steel Pins

High quality, durable, affordable premium pin brush. Ground & polished comfort tips that glide through the coat. Lightweight beech wood handles with high quality stainless steel pins and durable, firm cushion.

These high quality pin brushes feature a lightweight handle with non-slip coating that is comfortable and durable. The pins are stainless steel and have rounded ends to prevent scratching. Patented pin pad design prevents pins from indenting and keeps pad firmly in place.

## Professional Pin Brushes

Pin brushes are one of the more popular items for daily grooming. Brushes have round end stainless steel pins to gently penetrate deep into undercoat. Handles are made from Germany.
